1. INTRODUCTION

Prince Lord Prof. PhD Momtchil Dobrev-Halachev and Princess Prof. Mariola Garibova-Dobrev developed 2006 "Theory of the Degree of Democracy" and "Theory of the Degree of Justice / Injustice /" based on their practice in court, prosecutor's office, state and especially the practice of Prof. Mariola Garibova-Dobrev as a judge for decades experience as a civil and criminal judge and Prof. Momchil Dobrev participated as an observer in various types of elections. Prof. Momchil Dobrev created in 2001 Theory of Corruption and Theory of Mafia and Theory and Practice of Mafia.

In the year 2001 Prince Lord Prof. Momtchil Dobrev developed the Theory of the mafia and Theory of corruption. All the both theories has been developed by analyzing the mafia and the corruption all over the world. In Bulgaria, Germany, European Union, and other countries. In the year 2010 Prince Lord Prof. Momtchil Dobrev developed the "Theory of Mafiotismus" as a new type of government oriented solely to the private interests of individuals and private institutions. The fight against the mafia and corruption in Bulgaria and in the European Commission and the European Union is not yielding results as the mafia is at the highest state and European level and is doing what it wants. This mafia holds courts, the prosecutor's office and all kinds of state institutions, and the latter carry out its orders.

1.1 Introduce the Problem

The problem with the mafia and corruption in Bulgaria and in the European Union and the European Commission is huge. We have repeatedly applied evidence of the scale of this mafia. The basis of this mafia and corruption in Bulgaria and the European Union and the European Commission, Lord Prof. Momchil Dobrev established in 2001. "Mafia Theory" and "Corruption Theory" with all its manifestations. Based on these theories, Lord Prof. Momchil Dobrev also defines the formula of the mafia, the formula of corruption. Based on these processes, Lord Prof. Momchil Dobrev also created the Theory and Practice of Mafiotism, defining a formula for mafia, how it works, how it is organized, in whose interests it works at its expense.

Corruption and the mafia in a country destroy democracy, freedoms, human rights, the rule of law. As a result Lord Prof. Momchil Dobrev and Lady Prof. Mariola Garibova-Dobrev also created "Theory of the Degree of Democracy" and "Theory of the Degree of Justice / Injustice" as well as "Theory of Socio-Humanism" - a society that excludes the shortcomings of neoliberalism, globalism, wild market economy, and creates the foundations of a NEW HUMAN SOCIETY based on completely different principles, as well as economic and social, managerial and others.

As a result of the struggle of Lord Prof. Momchil Dobrev against corruption and the mafia in Bulgaria and the European Union and the European Commission since 2011. Lord Prof. Momchil Dobrev experienced 9 / nine / attempts to assassinate him and his relatives.

3. THE NEOLIBERAL NEO -FASCIST MAFIA OF THE LAWLESSNESS AND GENOCIDE OF LAW IN THE PROSECUTOR'S OFFICE IN BULGARIA AND THE INACTION AND SUPPORT OF THIS MAFIA FROM THE EUROPEAN UNION AND THE EUROPEAN COMMISSION WITH PRESIDENTS BARROS

BULGARIA - THE MAFIA HAS A STATE EUROPEAN COMMISSION - THE MAFIA HAS A UNION that supports the MAFIA in BULGARIA!

WHAT IS THE NORM IN BULGARIA AND IN THE EUROPEAN COMMISSION AND UNION?!?!?!?

Illuminati financier: "GIVE ME CONTROL OVER THE CENTRAL BANK OF A COUNTRY AND I WILL NOT INTEREST IN WHO RULES IN THIS COUNTRY!

MAFIOT POLITICAL AGENT FROM STATE SECURITY AND FOREIGN INTELLIGENCE - USA and others:

Proposals are currently being made for a New Constitution and a General Assembly to convene to adopt a New Constitution.

We will not go into details and therefore we will pay attention to what is the reason for the current state of our country Bulgaria and the European Union and the Commission ..

Corruption has become the norm, the Mafia has become the norm in Bulgaria and it is supported by the EUROPEAN COMMISSION AND THE UNION, which means that the mafia has conquered both the EC and the EU

The fact that the Prime Minister has appointed the Chief Prosecutor has become the NORM. It is clear why! Even if there are crimes by the executive branch, THE MAN OF THE MINISTER - THE PRESIDENT BOYKO BORISOV should not bring charges against his ministers and against him.

It is no coincidence that Prosecutor KOKINOV stated to the Prime Minister BOYKO BORISOV as Chief Prosecutor SOTIR TSATSAROV - "YOU PUT IT ON YOURSELF !!"

The successor of SOTIR TSATSAROV is his favorite IVAN GESHEV who has investigated ministers and Prime Minister BOYKO BORISOV for records and others!

The fact that the prosecutor's office has not brought charges against ministers and prime ministers and statesmen has become a NORM-LAW.

It has become the norm for the prosecutor's office to raise fabricated accusations against dissidents and anti-mafia and corruption fighters under Prime Minister BOYKO BORISOV, and even to try to KILL those dissidents in ARREST.

Public procurement under the Prime Minister BOYKO BORISOV has become a norm of corruption and mafia.

The norm is that the price of 30% of public procurement, at least for European projects and all other countries and others, should go to commissions for the mafia.

It is even the norm that these percentages are negotiated and signed by a notary public close to the mafia.

The norm is for a state project to be given to a company close to the Prime Minister and his entourage, which should be reported accordingly.

It is the norm that the prosecutors of Filchev, Assoc. Prof. Boris Velchev, TSATSAROV and GESHEV do not raise charges for the theft of property by the oligarchs Emil Kyulev, Donev - property that belongs to the heirs of insurance companies before 1944. . Not to implement articles of the Constitution and respectively repeal of acts.

It is the norm for the prosecutors of TSATSAROV and GESHEV and personally not to bring charges of stealing more than 2.9 million cubic meters of land from private land with which the NORTH TANGENT was built, TsATSAROV and GESHEV personally informed Prime Minister BOYKO BORISOV - involved in this.

It is NORM that the prosecutors of Filchev, Assoc. Prof. Boris Velchev, SOTIR TSATSAROV and IVAN GESHEV HAVE STRENGTHENED A CADAR OVER a seizure and theft of GAMING MACHINES by the former judge from Sofia City Court and her brother-in-law Hristo Mollov - with available protocols 2006 and 2008 on found not their slot machines and bingo equipment I BGN 745,000 in THEIR PROPERTY - and caused losses of over BGN 29 million - DO NOT CHARGE.

NORM is from 2008. not to be ACCUSED against Private Bailiff Dichev for embezzlement, Private Bailiff Yakimov for embezzlement, Private Bailiff Ivan Cholakov for fraud and theft of hundreds of thousands of euros of money from a creditor, and dozens of other Private Bailiffs violated the law.

NORMA is the double standard in the prosecution.

However, what does Chief Prosecutor IVAN GESHEV say at the meeting of prosecutors at the BOYANA residence:

"Now I'll tell you why we're a mafia." We are the Mafia because we have brought light into the darkness, because we have shown that we will not allow double standards - as it has been for decades. .. “

And I ask the Chief Prosecutor GESHEV WHY no charges have been filed on the signals to the Supreme Administrative Court for: - theft of land from private lands, with which the North Tangent was built, properties for over 500 million euros from EMIL KYULEV and his heirs and from DONEV, thefts of factories, the lawlessness of judges Valkov, Raina Martinova, Albena Boteva, Desislava Yordanova, Nelly Kutzkova, Eric Vassilev and hundreds of other judges from the SRS, SCC SAS, VKSy BOS, KOS, VROS and other courts, why do prosecutors and the specialized prosecutor's office legalize legal thefts of property, equipment for tens of millions, entire factories, and legitimize open and proven crimes committed by judges, mayors and others?!?! ?!

6. THE PROSECUTORS OF THE CHIEF PROSECUTOR SOTIR TSATSAROV AND THE CHIEF PROSECUTOR IVAN GESHEV LEGITIMIZE OPENLY AND PROVEN CRIMES COMMITTED BY DEPUTY. THE PRESIDENT OF THE SUPREME COURT OF CASSATION KRASIMIR VLAHOV - NOW A CONSTITUTIONAL JUDGE

The Deputy Chairman of the Supreme Court of Cassation, KRASIMIR VLAHOV, in violation of the law, himself appoints judges to hear cases without using the electronic system for random selection. He has been doing it for more than 6 / six / years. There are days when he appoints judges in 30-40 cases in the Supreme Court of Cassation.

According to Resolved is № 46 / 07.08.2019. of the Supreme Judicial Council on the application for access to public information reg. № 46 / 24.-07.2019 is allowed to provide full access, CONFIRMING that Judge Krassimir Vlahov did not participate in the competition for the promotion of judges to the Supreme Court of Cassation. He was appointed by a decision of the SJC under protocol № 14 / 05.04.2012. for "Deputy Administrative Head - Deputy Chairman" of the Supreme Court of Cassation on the proposal of the President of the Court.

The procedure for election of the Chairman of the Supreme Administrative Court, in which Georgi Kolev participated, was terminated by a decision under protocol № 38 of 21.10.2010. of the SJC, and Georgi Kolev was elected chairman of the SJC by a decision of the SJC under protocol № 42 of 15.11.2010. He was appointed to the position by Decree № 311 / 17.11.2010.

It is proven that ALL JUDICIAL ACTS SIGNED BY JUDGE Krassimir Vlahov are null and void - ie. since 2012 as he has never and in no way participated in a competition for a judge in the Supreme Court of Cassation and has not been elected in such a competition for a judge of the Supreme Court of Cassation.

Although in the distant 2012-2013 the chairman of the Supreme Court of Cassation Prof. LAZAR GRUEV was informed about the above, he did not take any action.

Although the SUPREME JUDICIAL COUNCIL and all its members Georgi CHOLAKOV, Atanaska Disheva, Boryana Dimitrova, Krasimi Shekerdzhiev, Olga Karelska, SEVDALIN MAVROV, Tsvetanka Pashkunova, Boyan Magdalinchov, Bonika Ivavaya, Marian Kovava, Vero Ivacheva, Vero Novava, Vero Novaski, Vero FOR THIS LAWLESSNESS of the then judge KRASIMIR VLAHOV - they did not take any action for his dismissal. He is ALREADY A CONSTITUTIONAL JUDGE, so even after President RUMEN RADEV was informed of these irregularities by the judge, he confirmed him as a constitutional judge.

Although the Chief Prosecutor SOTIR TSATSAROV and the Chief Prosecutor IVAN GESHEV were informed about these illegal actions by Krassimir VLAHOV, there are no actions from the Prosecutor's Office.

On the other hand, Krassimir Vlahov appoints judges with his Orders on specific cases, as they must be decided in favor of the Mafia and cause losses to HUNDREDS OF MILLIONS OF EUROS.

Judge Krassimir Vlahov in the distant 2013 on chgrd. 1252/13 1253/13 and 1254/13 appoints EXACTLY DETERMINED THREE SAME JUDGES in three different cases and private appeals in pending cases for a claim of 121 million euros against the Sofia Municipality with MAYOR BOYKO BORISOV and FO.

On the other hand, Judge KRASIMIR VLAHOD with an Order from October 2017. appoints dozens of judges in specific cases without using the random selection system.

In reality, the Supreme Court of Cassation is legalizing the theft of property of MAFIA companies, the theft of property in favor of third parties, the theft of property committed by SAS judges in favor of third parties, the legalization of REPRESSION - REPRESSION of RAINA Martinova confirmed by the judges of the Supreme Court of Cassation, cited above.

In reality, the Supreme Court of Cassation is legalizing the TERMINATION OF ALL CASES FOR THE THEFT OF THE PROPERTY OF THE HEIRS OF INSURANCE COMPANIES - PROPERTIES FOR OVER 600 MILLION EUROS - apparently in the order of the mafia.

In reality, the Supreme Court of Cassation legitimizes all terminations of cases ordered by the MAFIA and terminated at the first hearing in the SCC, SCC, KOS, VOS, MES, Vidin District Court and other courts.

7. THE PROSECUTORS OF SOTIR TSATSAROV AND IVAN GESHEV AND THE SPECIALIZED PROSECUTORS OF THE SPECIALIZED PROSECUTOR'S OFFICE LEGALIZE THE CRIMES COMMITTED BY JUDGES

The prosecutors of the Chief Prosecutor SOTIR TSATSAROV and the current Chief Prosecutor IVAN GESHEV and the prosecutors from the Specialized Prosecutor's Office have stretched an UMBRELLA OF THE SIDES Vladimir Valkov, Maria Boycheva iml. Judge Desislava Yordanova WHO LEGALIZE THEFT OF PRIVATE PROPERTY IN FAVOR OF MUNICIPALITY OF CAPITAL.

DECISION of 02.09.2019 of the judges Vladimir Valkov, Maria Boycheva and Jr. Judge Desislava from the Sofia City Court under gr.d. 10481/2009

In violation of the law and the evidence, the judges do not cite, do not respect, do not even mention the following facts and evidence in the case:

Decision № 178 ogt 13.01.2004 of the Supreme Administrative Court under Adm. Case 5159/2003, entered into force, by which the SAC explicitly decrees that the MUNICIPALITY OF CAPITAL is not the OWNER of the entire property at 1 Positano Street, Sofia - building - three-storey, shops and land. Explicitly in the reasoning of the Supreme Administrative Court is the fact that the property belongs to the heirs of the owners of the insurance company, owner of the property before 1944.

Nevertheless, a decision came into force on 19.02.2004. Judges VLADIMIR VALKOV, DESISLAVA YORDANOVA and MARIYA BOYCHEVA ruled that the PROPERTY IS THE PROPERTY OF A CAPITAL MUNICIPALITY, which is in fact a legalization of theft we are the heirs of the owners of the property at 1 Positano Street - the ideal center of Sofia.

Judges VALKOV, YORDANOVA and BOYCHEVA confuse the provisions of the Commercial Law of 1897. for the formation of a joint-stock company, how did judges VALKOV, YORDANOVA and BOYCHEVA confuse the LAW ON COOPERATIVE ASSOCIATIONS OF FEBRUARY 17, 1907? WHEN THEY DON'T CONSIDER THAT SUCH ASSOCIATIONS ARE FORMED WITH CAPITAL AND SHARES ??

Judges VALKOV, YORDANOVA and BOYCHEVA mixed the current Law on Cooperatives, where there are no shares, with the LAW ON COOPERATIVE ASSOCIATIONS of February 17, 1907. !?!

Judges VLADIMIR VALKOV, YORDANOVA and MARIYA BOYCHEVA CONSCIOUSLY confuse and CONSCIOUSLY DISREGARD THE OWNERSHIP OWNERSHIP OF OUR HEIR in the company Musala - Zemya. attached to the present case FROM WHICH IT IS SHOWN THAT THE INHERITANCE HAS SHARES OF 1464 shares / one thousand four hundred and sixty-four8 / out of a total of 5646 / five thousand six hundred and forty-six / shares or this makes 25,929 PERCENT / twenty-five percent of 9.5 percent SHARES OF THE CAPITAL OF THE COMPANY?!?!

Judges VALKOV YORDANOVA and BOYCHEVA do not even mention this indisputable PROVEN FACT.

There is an obvious and proven art. 282 of the Criminal Code.

THE INACTION OF THE PROSECUTORS OF THE CHIEF PROSECUTOR SOTIR TSATSAROV and IVAN GESHEV and of the SPECIALIZED PROSECUTORS to initiate a criminal case against

8. THE PROSECUTORS OF THE CHIEF PROSECUTOR SOTIR TSATSAROV AND THE CURRENT CHIEF PROSECUTOR IVAN GESHEV AND THE PROSECUTORS FROM THE SPECIALIZED PROSECUTOR'S OFFICE HAVE STRETCHED THE UMBRELLA OF JUDGES MILOEN VASSILEV, ALEXANDER EMILOV ANGELOV, ZHENIKA

Another DECISION of the judges Milen Vassilev, Alexander E. Angelov and Genika A. Mihailova from 2011 which legalizes the theft of inherited property from - land by the heirs in FAVOR OF THE CITY MUNICIPALITY Decision from 07.02.2013. confirmed by judges Janin Sidareva, Margarita Sokolova and Galabina Gencheva from the Supreme Court of Cassation on 22.10.2013.

ANOTHER LOSS for the heirs Restitution of ownership over 50/100 id. Parts of a property in the center of Sofia is sought, and according to the decision of the above-mentioned judges the land belongs to the apartments sold in the 70s of the last century. no state land was actually sold. In fact, all apartments sold by the Municipal Councils and services to citizens have only the right to build. According to this decision, virtually all owners of prefabricated homes throughout Sofia must be owners of the land below them, which is not the case.

And this is on the condition that Judge Alexander Angelov has recused himself since 2011 in cases conducted by the Ministry of Justice - ie. the same scheme applies.

THEIR INACTION REGARDING THEIR OBLIGATIONS UNDER ART. 312 of the JSA to request disciplinary punishment and dismissal of guilty judges from their courts

The Presidents of the Sofia City Court - Judge Alexei Trifonov and the former Presidents Kaloyan Topalov, Popkoleva, of the Sofia Court of Appeal - Judge Daniela Doncheva and the Supreme Court of Cassation and the President of the Supreme Court of Cassation Prof. Lazar Gruev have been repeatedly informed of illegal actions. their judges, as a small part of the cited examples of all judges cited so far in this article, by their courts and they were asked to fulfill their obligations under Art. 312 of the Judiciary Act - WITHOUT RESULT. NOTHING!?!?! In reality, they do not comply with the laws of this country, to demand disciplinary punishment for the lawlessness of their subordinate judges.

Prosecutors of Attorney General Sotir Tsatsarov and the current Prosecutor General Ivan Geshev have stretched an umbrella of a proven crime by judges Evgeni Georgiev, Albena Boteva, in Raina Martinova, Alexander Emilov Angelov, Vladimir Valkov, from Sofia City Court, Judge Nelly Kutzkova who RELEASE a company of the mafia "KREMIKOVTSI with trustee in bankruptcy BANKOV", exempt it from paying state fees in the amount of 3.5 million euros in three cases. BUDGET DAMAGE of 3.5 MILLION EUROS.

This is a practice for judges Vladimir Valkov, Raina Martinova, Albena Boteva, Elitsa Yordanova, Svilen Stanchev of the Sofia City Court, Nelly Kutzkova of the Sofia Court of Appeal, Judge Zgurov, Judge Vladimir Kanev, the Sofia District Court and dozens more.

Throughout a court hearing, the above judges grin on one side, even after noting that they are judges after all, and their behavior must be different, they continue to grin at the country.

Even the impudence of the judges comes to an end, as Judge Vladimir Valkov states:

"Mr. D... the Bulgarian judges are not responsible for the acts issued by them !!"

This is a behavior of unscrupulousness, of lawlessness, of a sense of invulnerability, impunity, a feeling of the LORD towards the citizens who wanted to seek justice.

By Order № 18-5904-30.06.2020 of the head of SGKK Sofia eng. Momchil Terziiski, was approved APPROVED amendment of the cadastral map and cadastral registers in the village of Lokorsko in eliminating a clear factual error for drawing land with draft identifiers.

The property of D.'s company, which was previously 2050,888 decares, suddenly became 1797,286 decares - ie. there is a theft of properties ILLEGALLY TRANSMITTED AS OWNERSHIP OF THE CITY MUNICIPALITY, namely seven properties.

THE PURPOSE IS ILLEGAL SEIZURE OF ANOTHER'S PROPERTY - PROPERTY OF D.'S COMPANY IN FAVOR OF AN ENTITY WHICH IS NOT ELIGIBLE AND HAS NO RIGHT TO OWNERSHIP OVER THIS NAME
